

Advanced EMT Class

Sue Bechtold will be instructing an Advanced EMT class beginning in January 2008 and ending May 2008.

This course will provide you with up to date information about the EMT-Advanced field. Throughout the course you will be covering such topics as Hemorrhage/Shock, IV and fluid replacement, Cardiac anatomy and assessment with rhythm recognition, Trauma and medical emergencies, geriatrics as well as pediatric, introduction to pharmacology and patient assessment and documentation. Along with paramedic assist skills.

You will also be doing clinical rotations with local Paramedic services and Emergency rooms.

The classes will be two nights a week from 6pm – 10pm. Mondays and Thursdays. Cost of the class will be \$550.00 which includes books and clinical shirt.

Pre-Requisites include, current CPR card, valid driver's license, and Current EMT-Basic card.
Should be Pre-registered by November 28, 2007.
